_____)	

By its Petition (PRN 3501102), Golden Nugget Atlantic City, LLC d/b/a Golden Nugget Atlantic City (“Golden Nugget”) requests amendments to its Certificate of Operation involving a reconfiguration of slot machines and table games on its casino floor. Among the changes requested was a change to its Casino Hotel Alcoholic Beverage (CHAB) license to authorize a CHAB outlet on Golden Nugget’s casino floor to be known as Bar 46.

Bar 46 is a bar for the service of beverages, including alcoholic beverages, located in the middle of the casino floor, between columns 6 and 7, adjacent to Pit #2. Bar 46 contains four (4) service station locations: two (2) of those stations will be utilized for service to cocktail servers to service patrons in gaming areas. The other two (2) locations will be utilized for patrons at the bar. Bar 46 will contain twenty-seven (27) bar top slot machines. Due to the presence of gaming in this area, and the intended complimentary service of alcoholic beverages to gaming patrons, Golden Nugget requests that this bar area be designated as a Type 1 (casino) outlet. Additionally, Golden Nugget intends to offer alcoholic beverages for sale to non-gaming patrons and, consequently, requests that Bar 46 be designated also as a Type II (hotel) outlet.

The Division of Gaming Enforcement ("Division") inspected the aforementioned area for regulatory compliance and issued a letter dated December 23, 2011 approving the proposed Certificate of Operation amendments.

Having considered the relevant provisions of the Casino Control Act, *N.J.S.A. 5:12-1 et seq.*, I hereby ORDER that the Petition be granted and the CHAB license of Golden Nugget be amended to include Bar 46 subject to the following conditions:

1. Alcoholic beverages are to be provided to patrons within Bar 46 by the glass or other open receptacle for consumption on the premises of Golden Nugget only.
2. Golden Nugget will maintain procedures to insure that sales of alcoholic beverages to patrons of its lounge area will be only to those individuals who are 21 years of age or older and that such beverages are not sold to individuals who are actually or apparently intoxicated.
3. Golden Nugget will train its beverage servers assigned to the Bar 46 that they may provide complimentary alcoholic beverages to those patrons engaged in gaming activity. For those patrons not engaged in gaming activity in Bar 46, beverage servers will be trained to charge for alcoholic beverages but must inform the patron that there is a charge prior to taking the drink order. Golden Nugget will maintain procedures to insure that its beverage servers are so trained and that there will be other notification to patrons at Bar 46 of charges for alcoholic beverages, such as signage and/or menus with prices indicated thereon.
4. While conducting the sale of alcoholic beverages within its lounge, either complimentary for those engaged in gaming activity or non-complimentary for those not engaged in gaming activity, Golden Nugget will comply with all requirements attendant to Type I and Type II CHAB authorization, pursuant to *N.J.S.A. 5:12-103g(1)* and *N.J.S.A. 5:12-103g(2)* and with all applicable alcoholic beverage laws and regulations of the Division of Gaming Enforcement and, as deemed applicable, the Division of Alcoholic Beverage Control.
5. Golden Nugget is to obtain all necessary approvals from other governmental agencies prior to commencing operation of Bar 46 as a Type I and Type II location.
